CS 22 – Enhanced Web Site Design
CSS Exercises

Exercise 1: Make the body Verdana, size Medium, black, with yellow background, and no margins.

Make all heading fonts Georgia, and make Heading 1 xx-large and cardinal red.

Exercise 2: Create a class called **income**, and make it a background color of #0ff.
Create a class called **expenses**, and make it a background color of #f0f.
Create a class called **profit**, and make it a background color of #f00.

Throughout the document, any text that mentions income, expenses, or profit, attach the appropriate class to that piece of text.

Exercise 3: Change the tag **li** to have the following properties:
- A display status of inline
- A medium, double-lined, black border
- No list style type

Exercise 4: Add the following properties to the style for **li**:
- Margin of 5px
- Padding of 10px to the top, 20px to the right, 10px to the bottom, and 20px to the left

---

Exercise 5: Add an advanced rule of **p:first-letter** and create the following properties for this rule:
- Font size of 36px
- Font weight of bold

Exercise 6: Change the heading tag style properties so that it is locked down to the lower-right of the screen.

Exercise 7: Change the **p:first-letter** rule so that content affected by it will float to the left.
